

Assoc. Prof. (Priv.-Doz.) Dr. Rainer Mittermayr, MD

AUVA Trauma Center Meidling, Trauma Surgeon

LBI for experimental and clinical traumatology, Head of Wound Research

Medical University Vienna, Lecturer for MD and PhD studies

Private Office (w3.shockwavetherapy-vienna.at)

Privacy

Birth 24. May 1974, Upper Austria

Married with Ulli since 2012

Children: Leona Sophie, Lia Caterina, and Louis Noah

Education

10/2013	Habilitation (venia docendi) in traumatology (topic shockwave treatment), Medical University Vienna, Austria
since 06/2013	Trauma Center Meidling AUVA, Vienna
12/2012 - 05/2013	Orthopedics, Gersthof, Vienna
09/2012 - 11/2012	Pathology, KH Rudolfstiftung, Vienna
03/2012 - 08/2012	Neurosurgery, KH Rudolfstiftung, Vienna
12/2011 - 02/2012	Depart. for Anesthesiology and Intensive Care, Wilhelminenspital, Vienna
12/2010 - 11/2011	General, Visceral and Tumorsurgery, Wilhelminenspital, Vienna
06/2010 - 11/2010	Division for plastic and reconstructive surgery, Burn and Wound Care Unit, Medical University Montpellier, France
06/2006 - 05/2010	Resident Trauma Surgery, AUVA Trauma Center Meidling, Vienna, Austria
1994 - 2005	University of Medical School Graduate dissertation: "Aspects of wound healing and angiogenesis in plastic/reconstructive surgery (flaps and grafts)– Experimental studies"
1988 - 1993	Federal Trade Academy Rohrbach / Upper Austria
1984 - 1988	Haslach Secondary School / Upper Austria
1980 - 1984	Haslach Elementary School / Upper Austria

Science and Teaching Activities

- Chief of wound research at the Ludwig Boltzmann Institute for Experimental and Clinical Traumatology, Vienna
- Member of the Editorial Board of the International Society for Medical Shock Wave Treatment (ISMST)
- Reviewer of international peer-reviewed Journals
- Lecturer at the medical faculty of the University of Vienna (MD and PhD)
- Trainer of registered nurses
- Lecturer and Tutor at international Peer to Peer Workshops
- Study visits at Shriners Hospitals for Children, Galveston, TX, USA, and medical University of Montpellier, France
- Scientific focus: shockwave, angiogenesis, biomatrices, growth factors, gen activated biomatrices, flap reconstruction, ischemia/reperfusion, hernia repair

Publications and Speeches

Since 1999 scientific assistant (since 2005 head of wound research division) at the Ludwig Boltzmann Institute for Experimental and Clinical Traumatology with periodic speeches and chairs at national and international symposia and congresses. Multiple publications and book contributions in national and international peer reviewed journals and books.

Awards

- International W(ound) H(ealing) S(ociety): Young Investigator Award 2002
- Austrian Society for Surgery: Theodor–Billroth Award 2003
- Wilhelm Auerswald Award for Best Dissertation 2005
- Vienna Future Symposium 2007: Scientific Poster Award
- German and International Society for Shockwave Therapy DIGEST-Award: For the best scientific publication 2011

Scientific Societies

Austrian Society for Trauma Surgery (ÖGU)

Austrian Society for Surgical Research

European Shock Society (ESS)

International Society for Medical Shock Wave Treatment (ISMST)

International Society for tissue engineering and regenerative medicine (Termis)

Austrian Society for Orthopedics (ÖGO) – (Member, Shock wave therapy task force)

Microsurgery Task Force
